

Story 1

- This is the geographical map for ..
- This is the bar graph for the top countries ..
- This is the trend graph which gives the data f..
- This is the graph for the carbondioxide em..
- This the Pie Graph that shows the Co2 emisi..
- This graph shows the Carbondioxide emissi..
- This graph shows that t..

Story 1

This is the geographical map for ..

This is the bar graph for the top countries ..

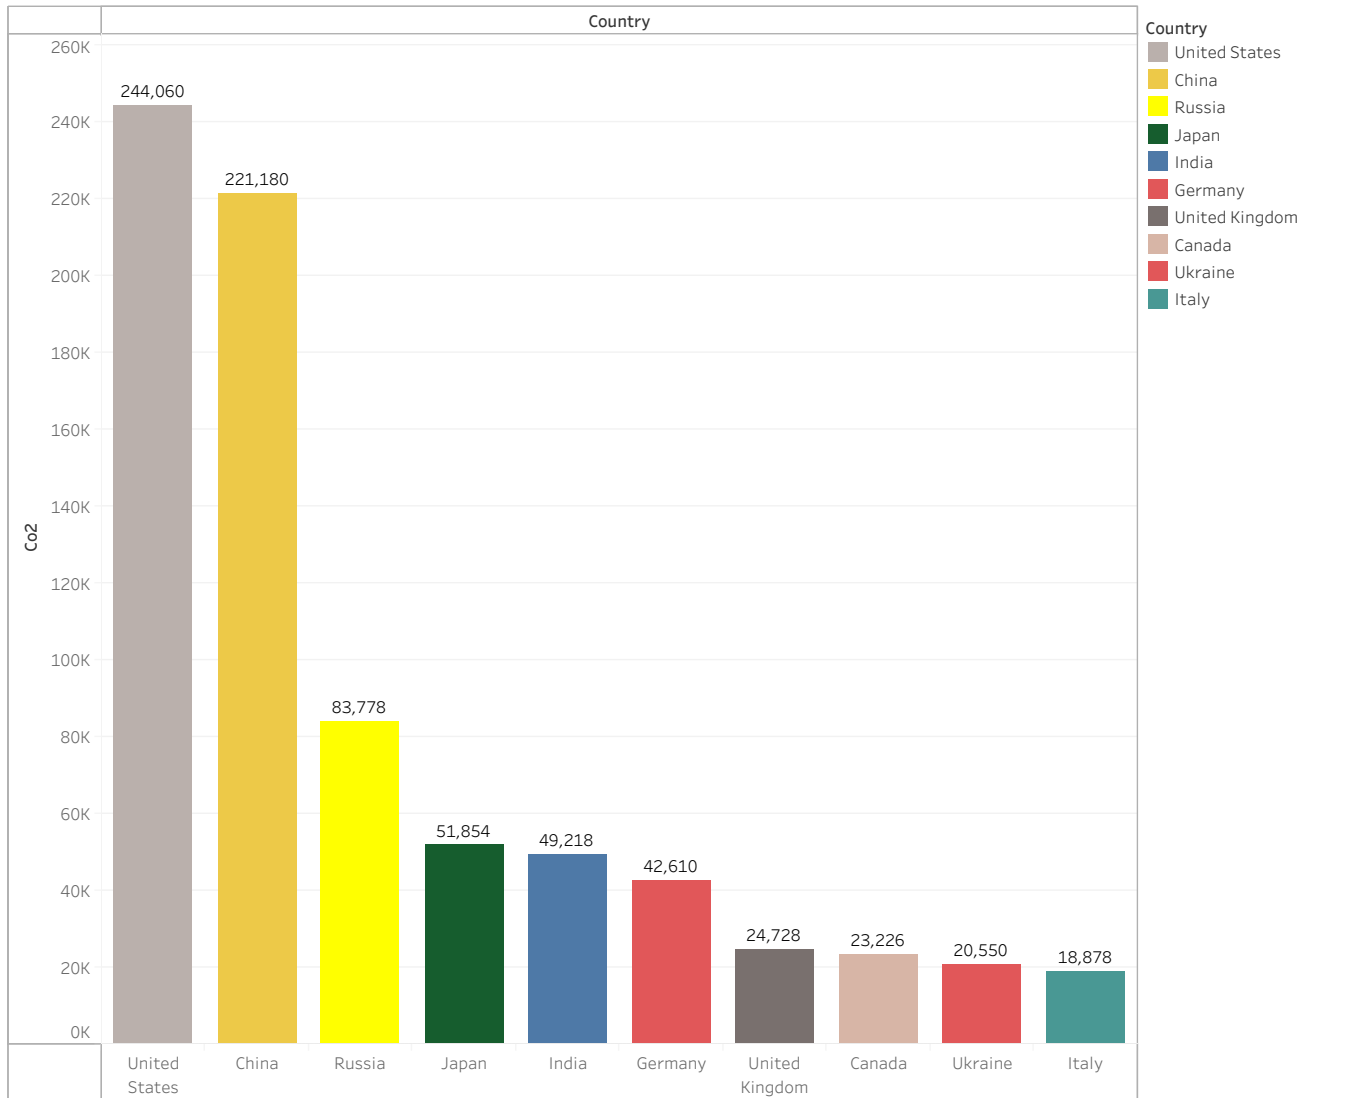

This is the trend graph which gives the data f..

This is the graph for the carbondioxide em..

This the Pie Graph that shows the Co2 emisi..

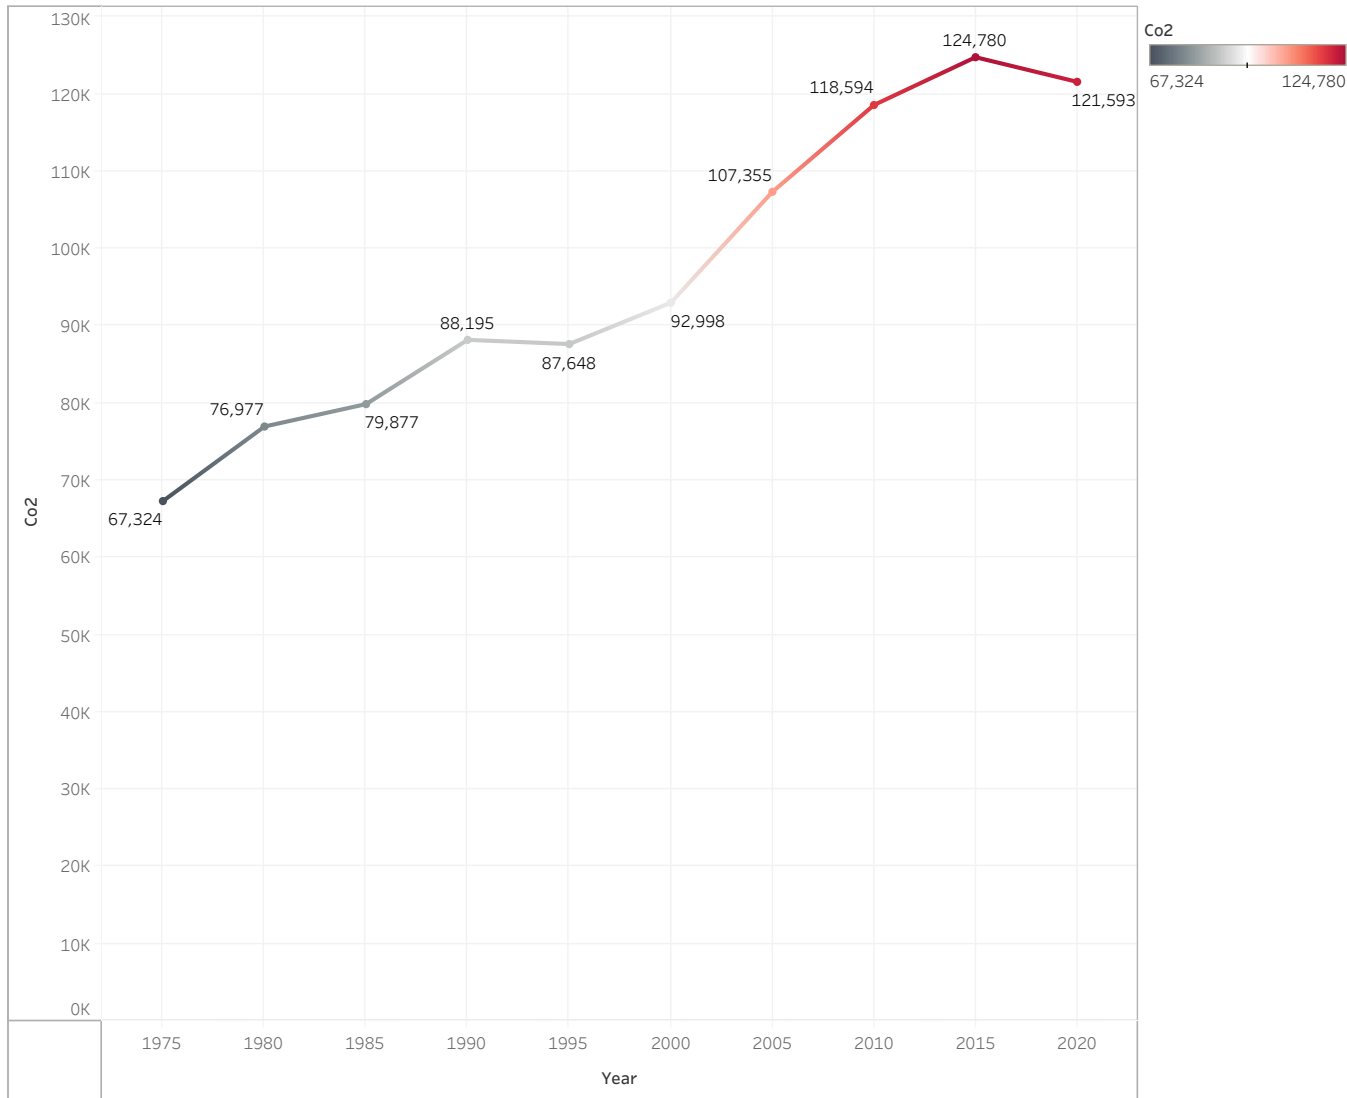

This graph shows the Carbondioxide emissi..

This graph shows that t..

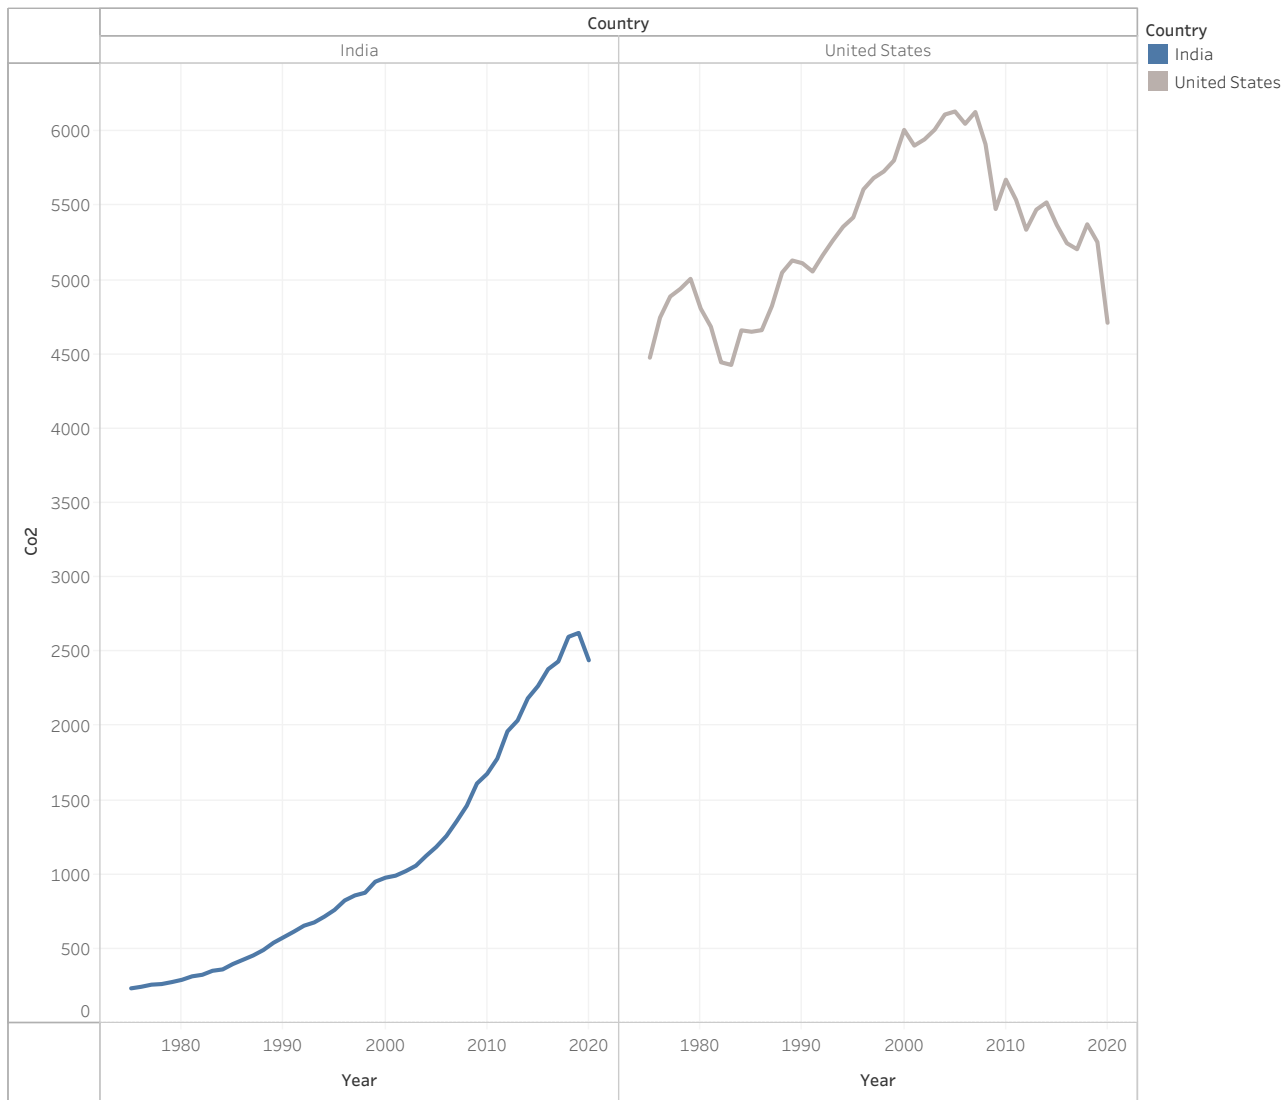

# Story 1

- This is the geographical map for ..
- This is the bar graph for the top countries ..
- This is the trend graph which gives the data f..**
- This is the graph for the carbondioxide em..
- This the Pie Graph that shows the Co2 emisi..
- This graph shows the Carbondioxide emissi..
- This graph shows that t..

- This is the bar graph for the to..
- This is the trend graph which gives the data f..
- This is the graph for the carbondioxide em..
- This the Pie Graph that shows the Co2 emisi..
- This graph shows the Carbondioxide emissi..
- This graph shows that the carbondioxide em..
- This graph indicates the carbondioxide ..

# Story 1

This is the trend graph which giv..

This is the graph for the carbondioxide em..

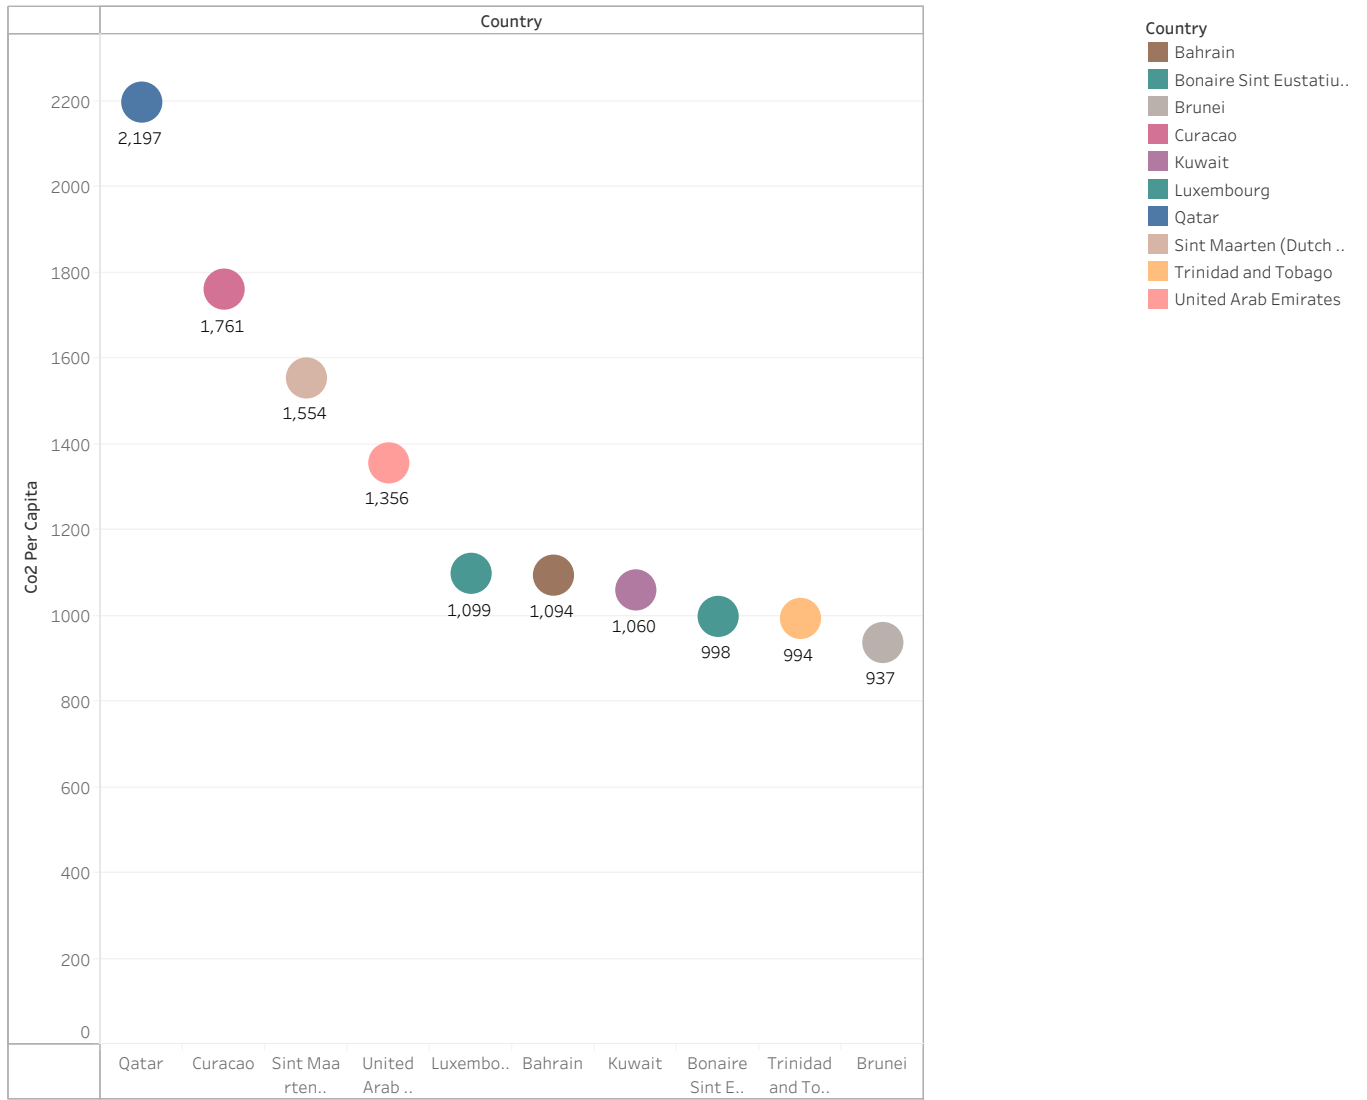

This the Pie Graph that shows the Co2 emisi..

**This graph shows the Carbondioxide emissi..**

This graph shows that the carbondioxide em..

This graph indicates the carbondioxide em..

It is a bar graph which gives the car..

# Story 1

This is the graph for the carbondi..

This the Pie Graph that shows the Co2 emisi..

This graph shows the Carbondioxide emissi..

This graph shows that the carbondioxide em..

This graph indicates the carbondioxide em..

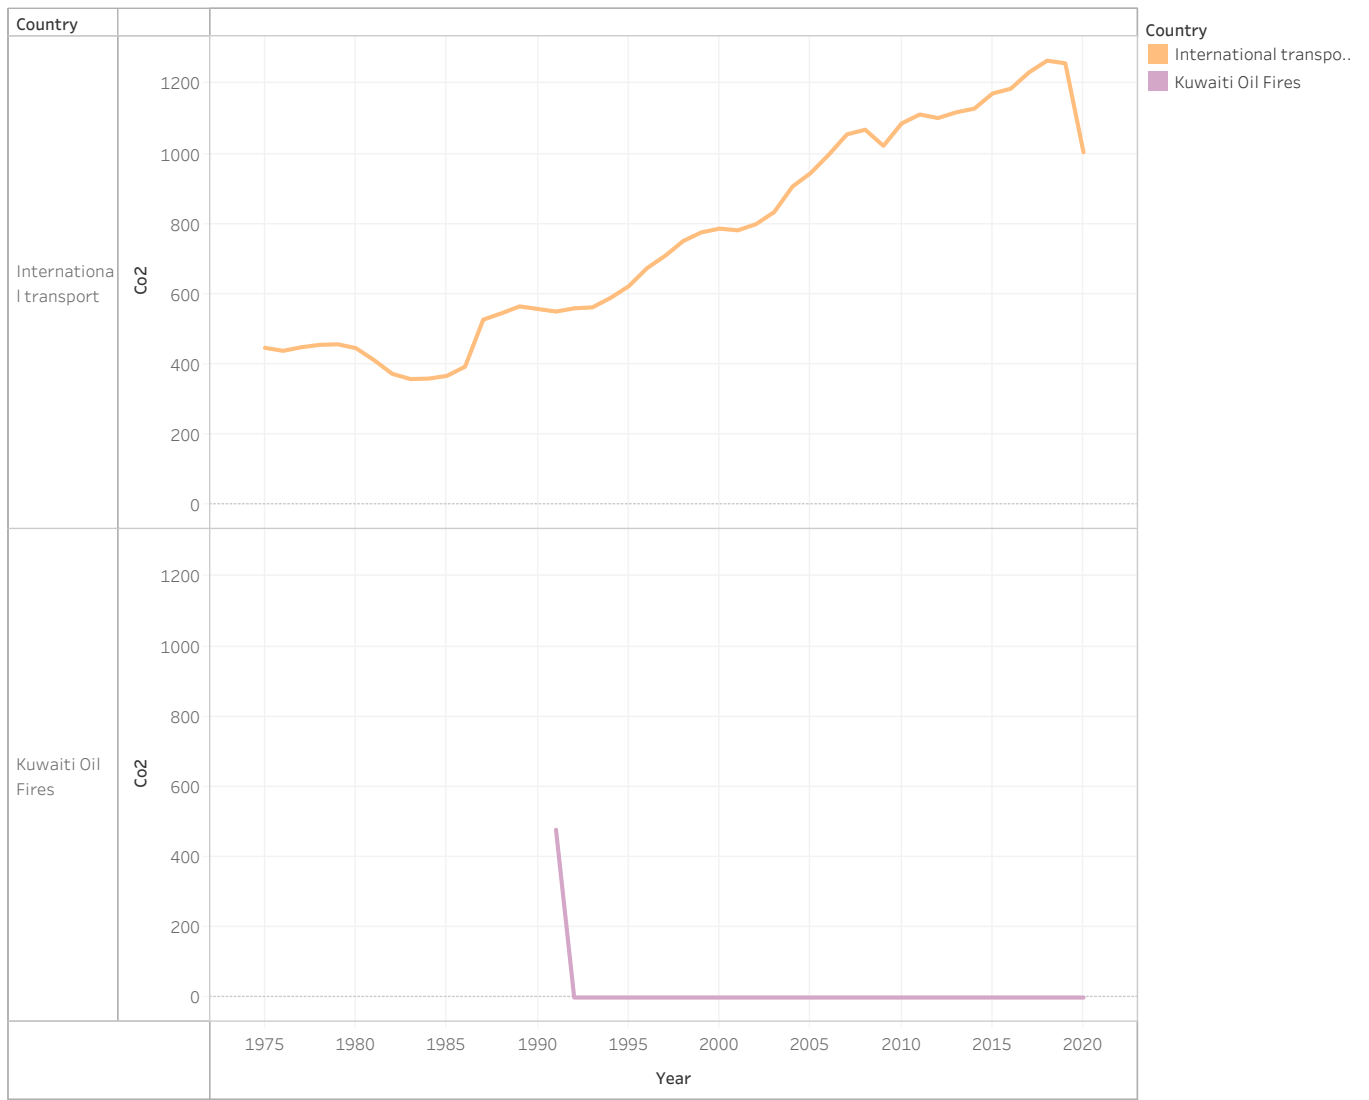

It is a bar graph which gives the carbondioxi..

It is a donut chart which represents t..

Story 1

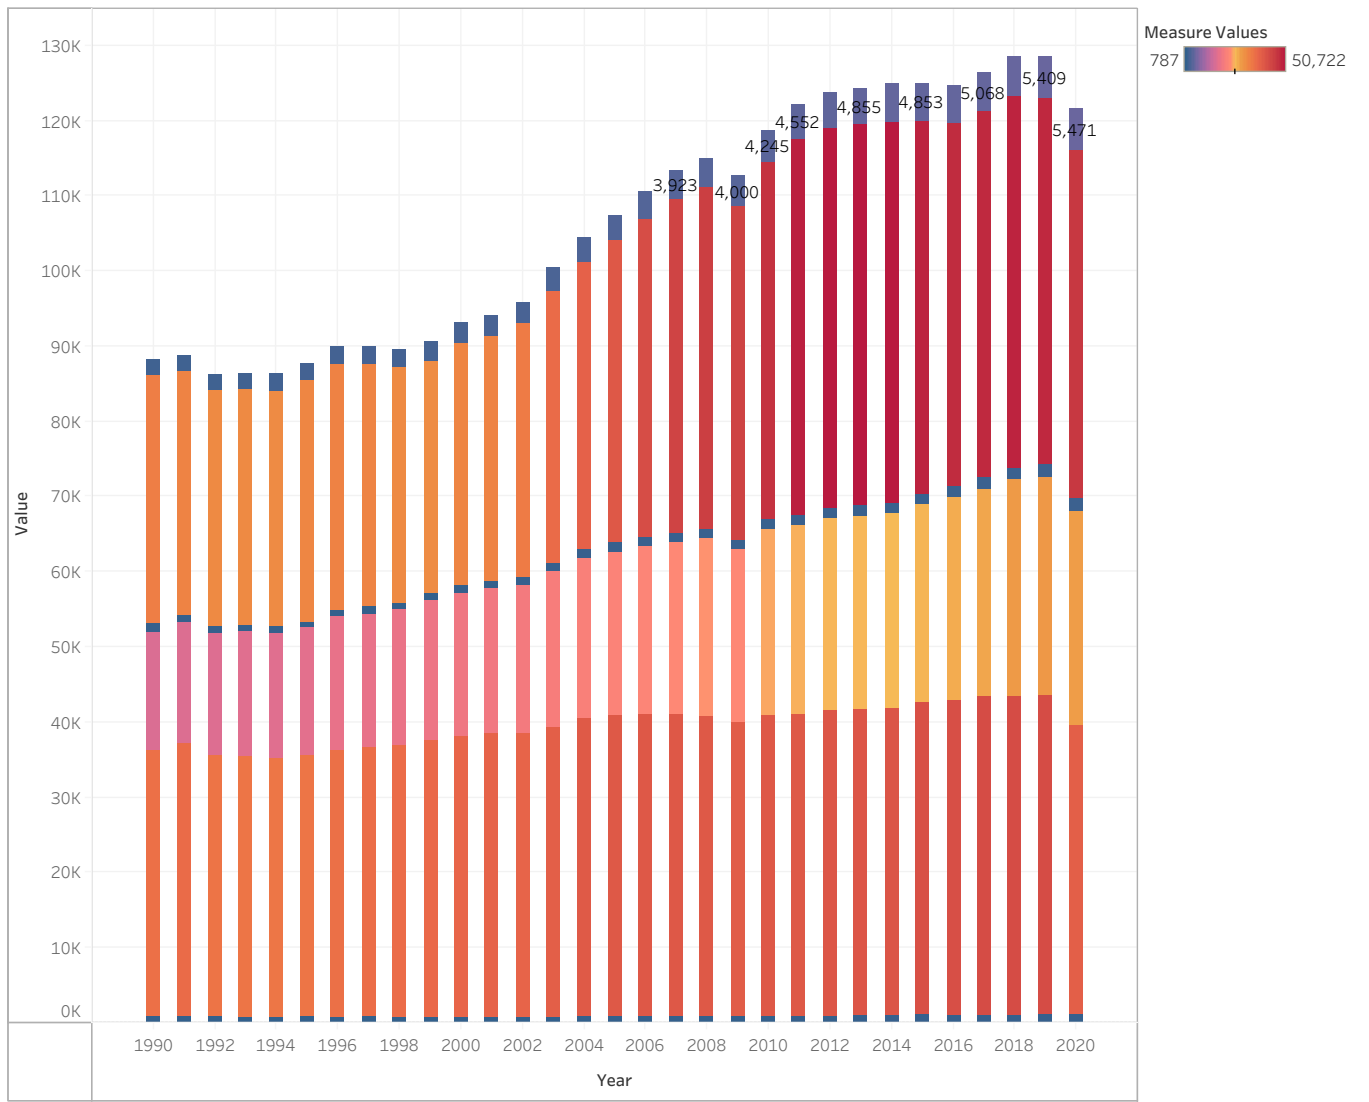

- This the Pie  
Graph that show..
- This graph shows the  
Carbondioxide emissi..
- This graph shows that  
the carbondioxide em..
- This graph indicates  
the carbondioxide em..**
- It is a bar graph which  
gives the carbondioxi..
- It is a donut chart  
which represents the ..
- This is the bar graph  
that shows the car..

Story 1

- This graph shows the Carbondioxi..
- This graph shows that the carbondioxide em..
- This graph indicates the carbondioxide em..
- It is a bar graph which gives the carbondioxi..
- It is a donut chart which represents the ..
- This is the bar graph that shows the carbo..
- It is the graph indicates the overa..

Story 1

This graph shows that the carbond..

This graph indicates the carbondioxide em..

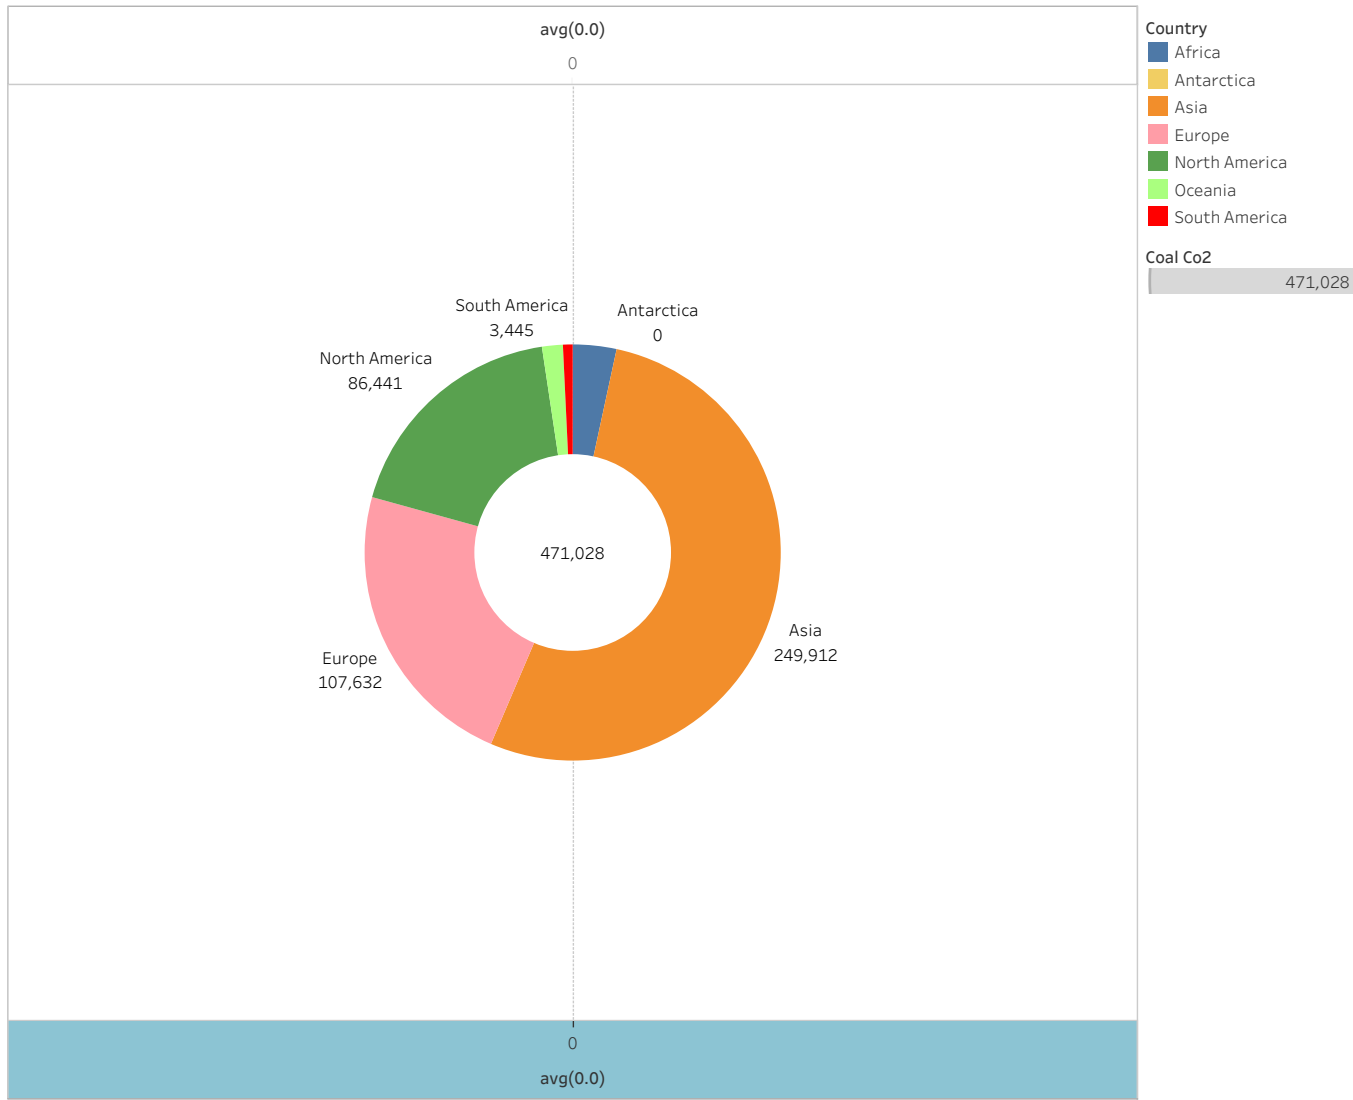

It is a bar graph which gives the carbondioxi..

It is a donut chart which represents the ..

This is the bar graph that shows the carbo..

It is the graph indicates the overall c..

This is a bar graph for the country wis..

Story 1

This graph indicates the car..

It is a bar graph which gives the carbondioxi..

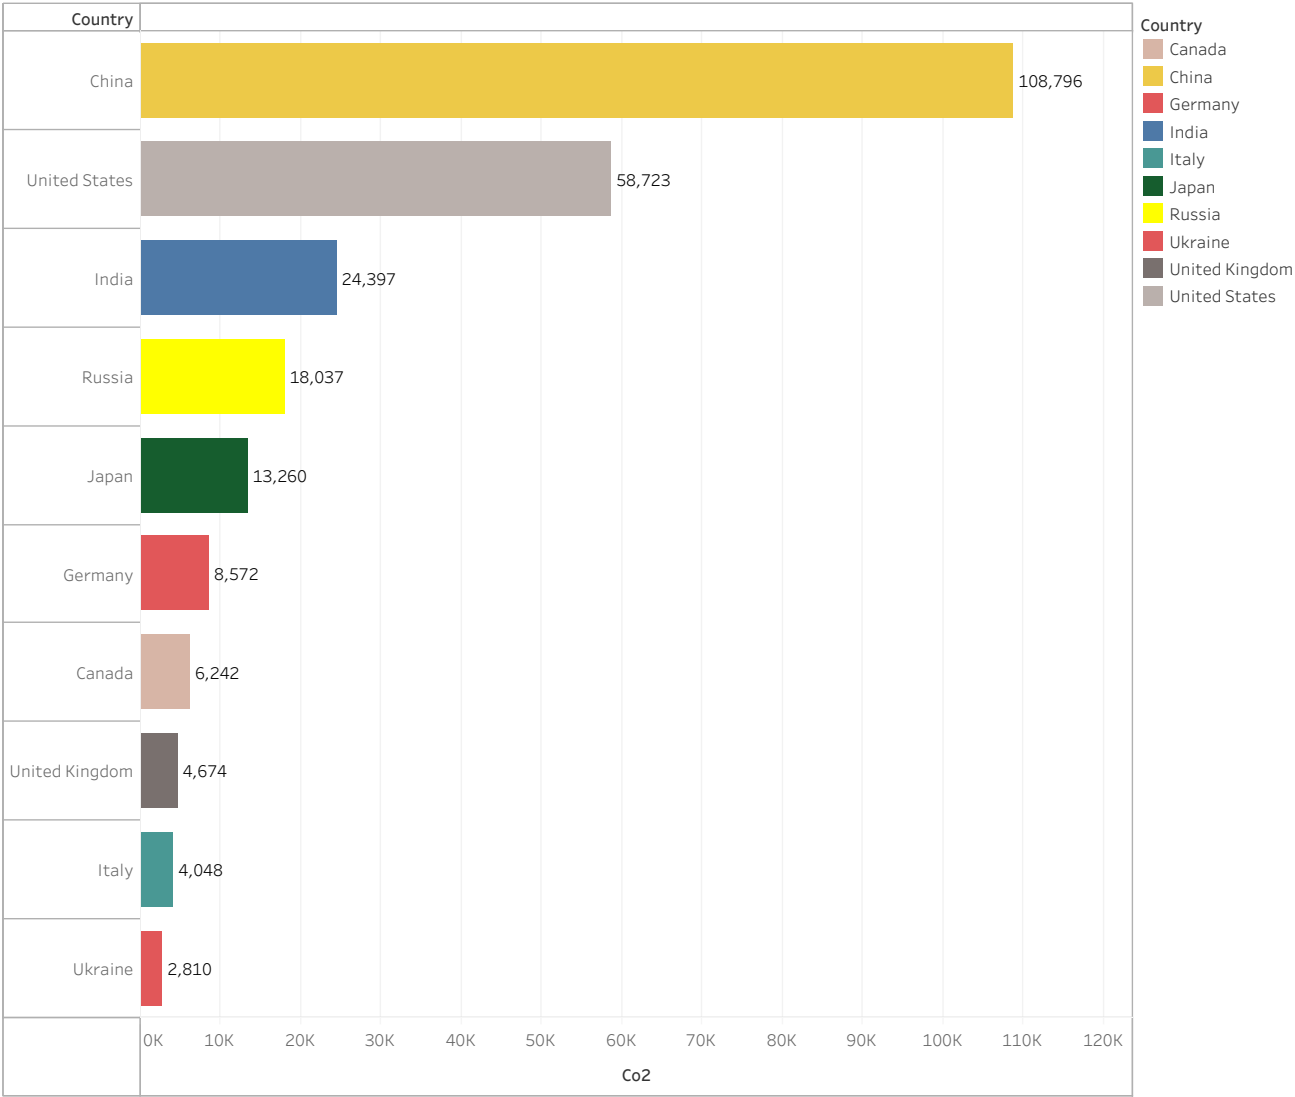

It is a donut chart which represents the ..

**This is the bar graph that shows the carbo..**

It is the graph indicates the overall c..

This is a bar graph for the country wise co2 ..

This graph shows the co2 emission in ..

Story 1

This graph indicates th..

It is a bar graph which gives the carbondioxi..

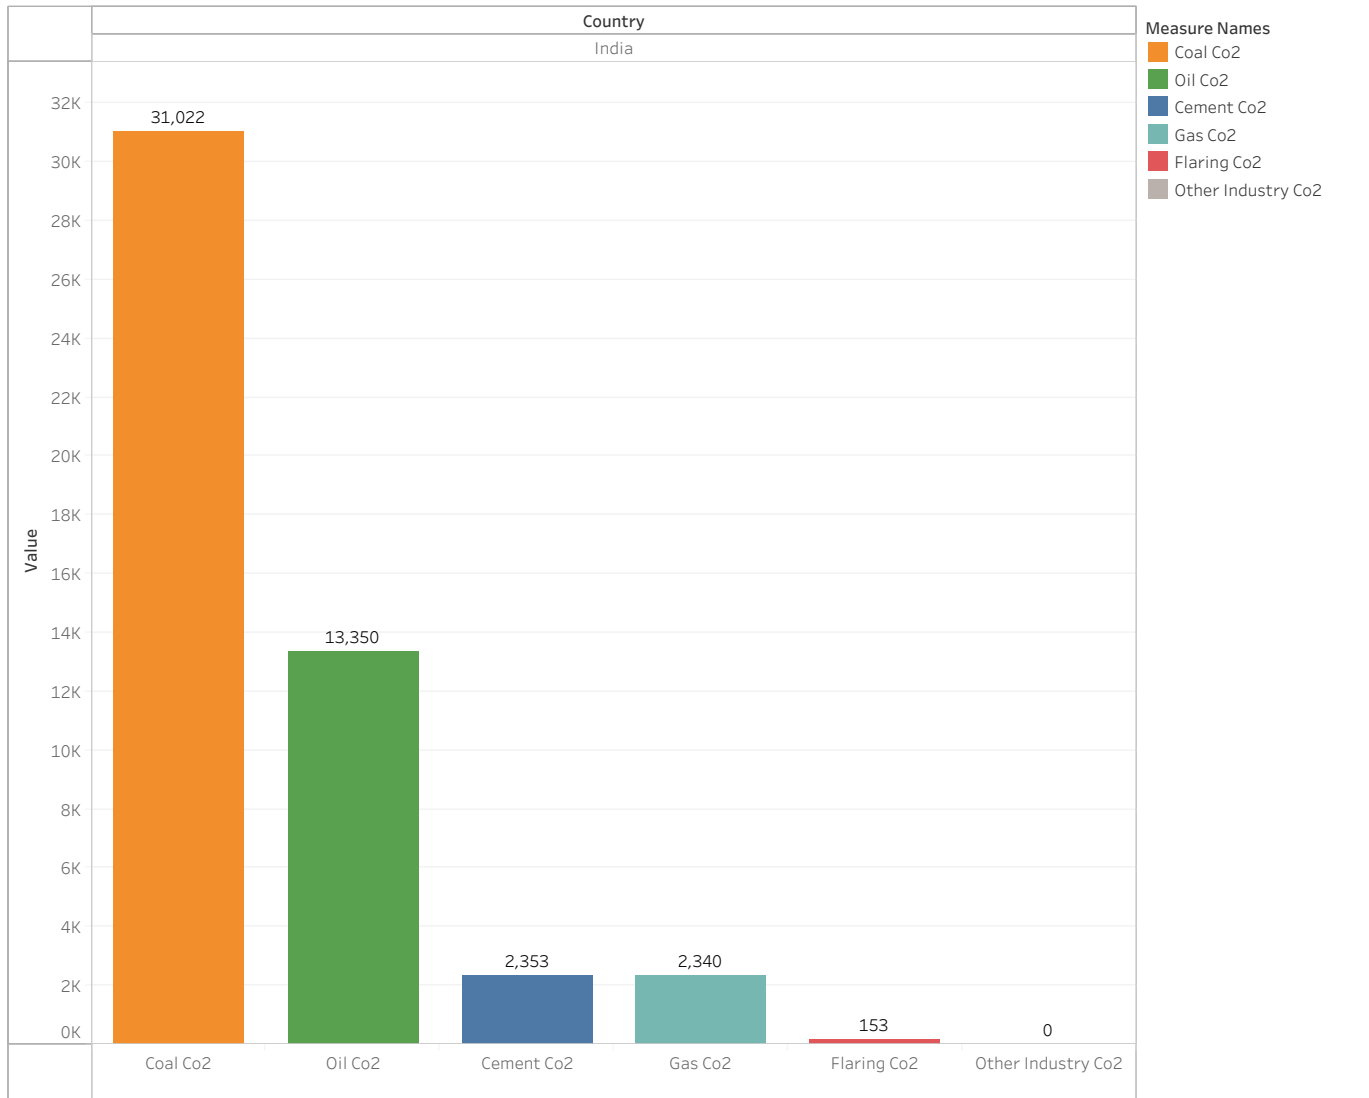

It is a donut chart which represents the ..

This is the bar graph that shows the carbo..

It is the graph indicates the overall c..

This is a bar graph for the country wise co2 ..

This graph shows the co2 emission in china ..

Story 1

This graph indicates th..

It is a bar graph which gives the carbondioxi..

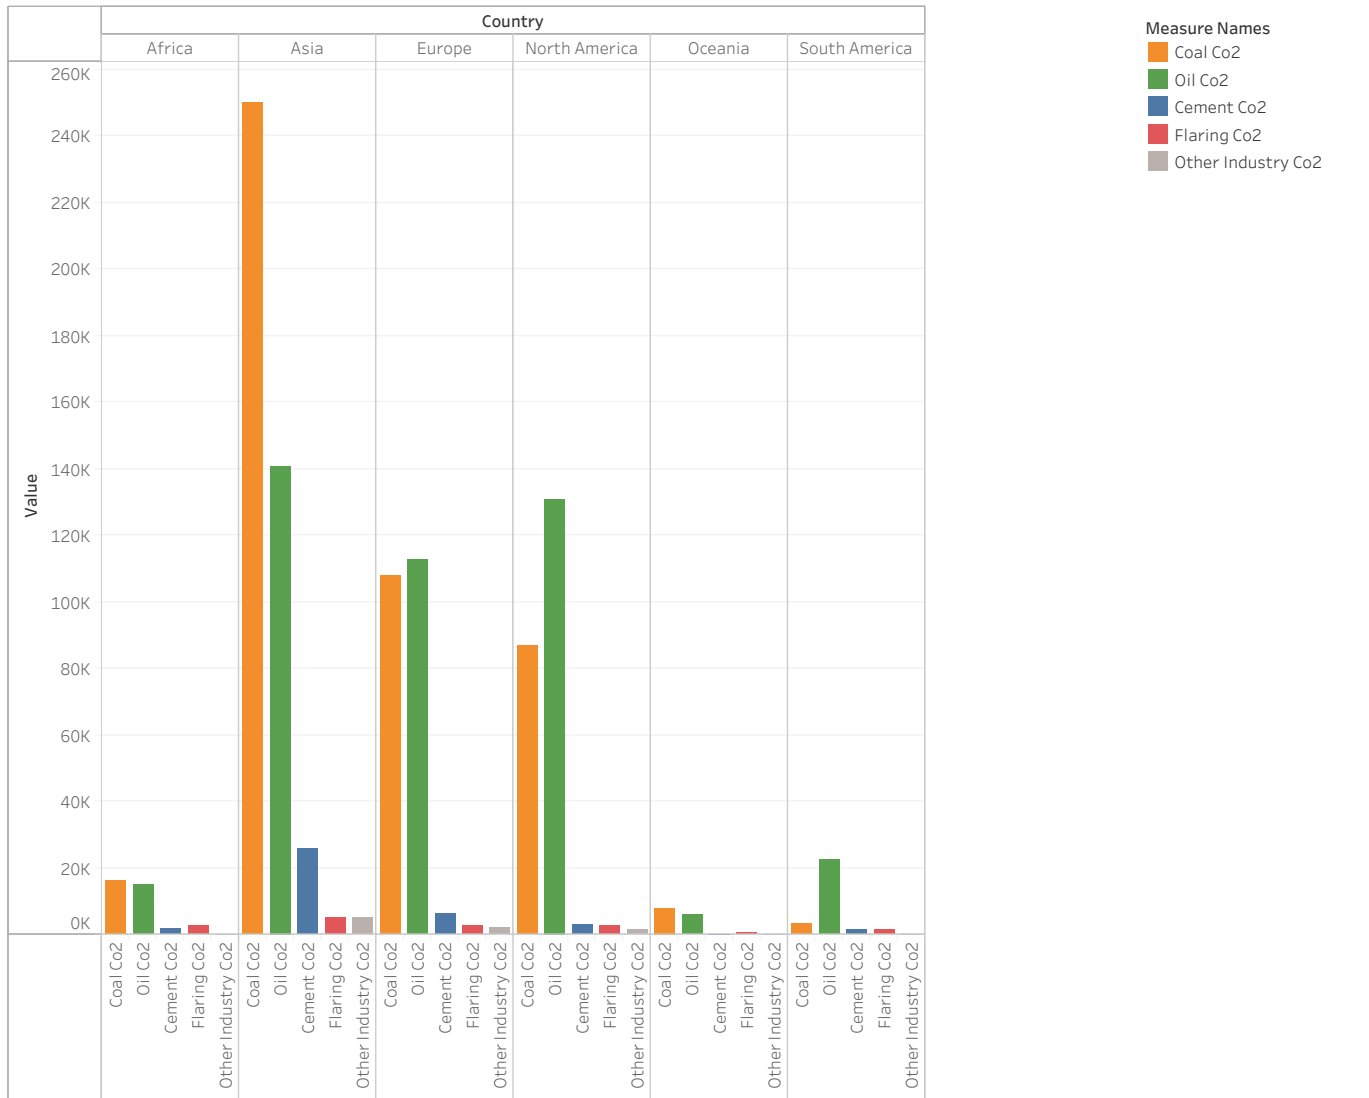

It is a donut chart which represents the ..

This is the bar graph that shows the carbo..

It is the graph indicates the overall c..

This is a bar graph for the country wise co2 ..

This graph shows the co2 emission in china ..

## Story 1

This graph indicates th..

It is a bar graph which gives the carbondioxi..

It is a donut chart  
which represents the ..

This is the bar graph that shows the carbo..

It is the graph  
indicates the overall c..

This is a bar graph for the country wise co2 ..

This graph shows the  
co2 emission in china ..
